PRIMARY EXAMINER

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The examiner wishes to maintain the reasons for allowance as stated in the previous office action mailed August 20, 2003. Prior art of record does not teach or suggest a device for authorization interrogation in a vehicle where a right antenna array receives a current for a external space interrogation on the left side during an external space interrogation on the left for generating an interference field on a right external space side as claimed in claim 7 (applicant's numbered claim 11); and the selection of a current value as a left side current value and a right side current value for controlling the antenna array as a function of the operating signal so the at the left side current value is different than the right side current value as claimed in claim 12 (applicant's numbered claim 16).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
